

Stanford University
**Kavli Institute for Particle
Astrophysics and Cosmology**
Faculty Position—Theorist

The Department of Physics and the Stanford Linear Accelerator Center invite applications for a joint appointment for a theorist or computational physicist working in astrophysics or cosmology. This appointment includes membership in the Kavli Institute for Particle Astrophysics and Cosmology (KIPAC). We seek candidates with significant accomplishments and promise for further achievement in these rapidly developing fields. We will consider applicants at the beginning or advanced assistant professor level for this tenure track appointment. The successful candidate is expected to teach in Physics and supervise undergraduate and graduate students.

Candidates should submit a curriculum vitae, publication list, a statement of research plans and the names of three references to: **Professor R. Blandford, Kavli Institute for Particle Astrophysics and Cosmology, Stanford University, 382 Via Pueblo Mall, Stanford, CA 94305-4060.**

The deadline for receipt of applications is **November 15, 2003.**

Stanford University and SLAC are equal opportunity, affirmative action employers.
